

# Sarah Katzer

## Designer

### Career Objective

A recent graduate looking to make a career change to my field of study. I will bring forward everything I've learned to provide an enjoyable user experience through design.

### Projects

Bison Woodworks | UX/UI Designer

Creating brand logo and style guide for new local startup

Consulted with startup owners to review current products, future products and to provide solutions to serve the user needs in a easy to use, responsive design.

### Work Experience

Midwest Eye Care | Contact Lens Optician  
09/2017-Current

Assist ophthalmologist and optometrists in fitting medically necessary and custom contact lenses for patients with a variety of medical conditions.

Board certified, issued by National Contact Lens Examiners 10/2020

### Publications

The Hand Magazine  
2 photographs printed center-fold,  
2nd edition. 2013

References upon request
